

## Monsoon Commercial ACM Mixed Flow Fans

- Available in two sizes
- Supplied complete for simple installation
- Optimise fan performance by using a controller
- Diagonal impeller with stator
- Galvanized metal housing
- Integrated thermal switch
- Includes a mounting bracket
- Designed to meet IP54

| CODE         | DESCRIPTION   |
|--------------|---|
| UMD200SX-PRO | 200mm Standard In-line Fan (980m <sup>3</sup> /h)       |
| UMD200TX-PRO | 200mm Timer In-line Fan (980m <sup>3</sup> /h)          |
| 17110010     | 250mm Standard In-Line Fan (1,400m <sup>3</sup> /h)     |
| 17112010     | 315mm Standard In-Line Fan (2,350m <sup>3</sup> /h)     |
| W300310      | Surface Mounted Variable Speed Controller for 250mm Fan |
| 10314103     | Surface Mounted 5 Speed Controller for 315mm Fan        |

**Please see page 37 for smaller models.**

## Metal Cased External Centrifugal Fans

- For outdoor wall installation
- Removes noise from in the building
- Ball bearing motor, IPX4 thermal protection
- Speed controllable, low noise levels

| CODE   | DESCRIPTION   |
|--------|---|
| UEC100 | 100mm External Centrifugal Fan (280m <sup>3</sup> /h) |
| UEC125 | 125mm External Centrifugal Fan (390m <sup>3</sup> /h) |
| UEC150 | 150mm External Centrifugal Fan (600m <sup>3</sup> /h) |
